On October 11, 2019, United States Customs and Border Protection/Office of Border Patrol (CBP/OBP) agents were conducting immigration inspections at T-501 tactical checkpoint near Del Rio, Texas on TX FM 2523 when they observed a white GMC Sierra briefly approach the checkpoint. The vehicle then made a sudden U-turn, prior to entering primary inspection, and quickly drove away.

CBP/OBP agents attempted to follow the vehicle when it came to a sudden stop and all four occupants absconded on foot. CBP/OBP agents gave chase and apprehended all subjects. One of the subjects, Victor Daniel HERNANDEZ-Velasquez, was identified as the driver of the vehicle. The three remaining occupants were identified as undocumented aliens from the Republic of Mexico, unlawfully present in the United States.

During post-Miranda interview, HERNANDEZ-Velasquez stated he knew that the subjects he was transporting in the vehicle were undocumented aliens from Mexico. HERNANDEZ-Velasquez stated he had agreed to transport the undocumented aliens from an area near Del Rio, Texas to Rocksprings, Texas.
